

# The Four C's of a Quality Dance Studio

## Why Turning Pointe Dance Studio Sparkles...

### Christian owned and operated

Our values solidify our strong belief in age appropriate dance movement, song lyrics and costume selections.

### Convenience

We offer many advantages including a convenient location, a wide selection of class time choices, online registration, monthly newsletters and an organized year of important dates planned in advance. We also provide a family-friendly facility complete with viewing windows, kids play area, baby changing table and free Wi-Fi.

### Curriculum

We are committed to providing quality dance education in a loving and friendly environment. Our students learn the art and discipline of dance including proper technique, correct terminology, English translation of French vocabulary, dance history, dance class etiquette and more. Our class sizes allow for personal attention and encouragement for each dancer.

### Creativity

Our students have the opportunity to perform in our annual Spring Recital. We assure you that our shows are not like any recital you are accustomed to attending. It is a professional, themed production that allows our dancers to experience the excitement of stage performance complete with colorful costumes, creative choreography, toe tapping music, keepsake programs and trophies!
